Sprint 3 Plan
Pupper
Completion Date: 11/19/17
Revision #: 1
Revision Date: 11/19/17

Goal:

Tasks:
1) As a user, I would like there to be clean animations in the UI. [3].
    a) Task 1: Design a cleaner UI.
2) As a pet company, I would like a way to either purchase ad space or to have my information to allow me to get my product to potential customers [5]
    a) Task 2: Figure out when and where to display ads.
3) As a pet owner, I would like to be able to post a notification if I lost my pet and have it known to users in the area[5]
    a) Task 3: Sending out Lost Dog notifications
    b) Task 4: Receiving Lost Dog notifications
4) As a current pet owner, I would like an interface to upload pictures/information so that I can share my experiences with other users[3]
    a) Task 5: Upload Pictures/Information
    b) Task 6: Develop a Picture Viewing Interface
    c) Task 7: Dog Profiles
    d) Task 8: Get pictures/information from the database to display on the phone

Team Roles & assignments:
